## Facilities

*McArdle Student Center* provides several areas for meeting informally and pursuing a variety of social and recreational activities. An array of food and beverages is available to students at relatively low cost through the cafeteria service in the student center's Gorman Hall.

*The St. Francis Online Bookstore* operates completely online and can be visited at [www.sfc.edu/bookstore](http://www.sfc.edu/bookstore) (<http://www.sfc.edu/bookstore/>). The store provides all textbooks and course materials required for coursework at the College. The website is available 24/7 and live help is available from 9:00 am to 5:00pm, Monday through Friday with additional hours on Saturday and weeknights during back-to-school season. Students can purchase new, used, eBook, or rental books. The Online Bookstore also has a marketplace where students and other vendors are buying and selling used books at heavily discounted prices.

*Athletics facilities* include two full-sized gymnasias, the Pope Center and the Genovesi Center, for intercollegiate and intramural sports and physical education classes. The Genovesi Center serves also as a space for special events and meetings. Students also have access to the College's competition-sized swimming pool and fitness center.

## Academic Integrity

The College policy that defines academic integrity includes procedures for dealing with violations of that policy. Matters of academic integrity are distinct from the rubrics of student misbehavior: violations of academic integrity include cheating, counterfeit work, falsification of academic records, falsification of data or creation of false data, plagiarism, theft (of information), and unauthorized reuse of work. Since a violation of academic integrity takes place whenever anyone undermines the academic integrity of the College or attempts to take unfair advantage of others, the above list cannot be exhaustive. For further information, including the complete policy, procedures, and sanctions, please refer to *The Cord*.

## Athletics

The College, a member of the Northeast Conference, currently sponsors 21 NCAA Division I intercollegiate athletic sports. All College athletic events are free to students, faculty, and staff with valid ID cards. Students with exceptional talent who meet strict academic requirements are eligible to compete.

St. Francis College fields men's teams in basketball, cross-country, golf, soccer, swimming & diving, tennis, track & field, volleyball, and water polo. Women compete in basketball, bowling, cross-country, golf, soccer, swimming & diving, tennis, track & field, water polo, and volleyball.

## Intramurals

The college provides a well-rounded intramural sports program. Students compete in basketball, volleyball, flag football, dodge ball, and soccer. Students are encouraged to take advantage of the swimming, gymnasium, and fitness center.

## Campus Crime

In accordance with New York State Education Law, Article 129A, the Advisory Committee on Campus Safety will provide upon request all campus crime statistics as reported to the U.S. Department of Education, [www.ope.ed.gov/security](http://www.ope.ed.gov/security) (<http://www.ope.ed.gov/security/>). ## Career Development Center

The professional staff and resources of the Career Development Center are available to assist students to make wise and suitable career choices and secure appropriate postgraduate employment. Toward these ends, the Center provides a substantial library of print and audiovisual career planning reference materials as well as computer terminals providing access to the vast resources of the Internet. The staff of the Center is available for career guidance and counseling on an individual basis and regularly offers workshops in such essential aspects of the career planning process as resume writing, preparation for the employment interview, and effective job search skills and techniques.

A video cassette recorder is available for students to watch various career-related video tapes. Students may be taped during practice interviews and can review the tape for valuable feedback. Members of the senior class may take advantage of the substantial number of placement interview opportunities offered each spring with representatives of major corporations and others seeking to hire St. Francis graduates.

All students may avail themselves of the part-time employment opportunities made available through the Center. The Career Development Center is a major clearinghouse for part-time employment opportunities, a significant number of which are in the vicinity of the College. Students seeking such opportunities are encouraged to take advantage of this service.

## Emergency Notifications

Requests to deliver emergency notifications phoned in by relatives or friends of students are impractical, due to limitations of staff and uncertainty of student whereabouts. With this in mind, the students of the College are advised to make some arrangements whereby such emergency contingencies would be covered in another way during the hours they plan to spend on campus. In the event of an extreme emergency, the College will do its best to locate a student, but this will only be done in the most critical situations and cannot be assured.

## SFC Alerts

SFC Alerts is St. Francis College's urgent notification system. It allows the College to send out emergency and urgent information to students, faculty & staff in a variety of ways like text messages, phone calls and instant messages.

Messages will only be sent for school wide situations like Snow Cancellations or Building Evacuations. SFC Alerts cycles through a

series of contacts that each student puts in priority order until a student acknowledges that they have received the alert. Students will never be spammed.

Each student's St. Francis email address is entered into the system, but it is up to every individual to personalize their profile to add things like a cell phone number for voice mail and text messages. Students can access their profile through the mySFC portal at <http://www.sfc.edu/>.

For more information please call the Office of Government & Community Relations at 718.489.5404 or go to [www.sfc.edu/sfcalerts](http://www.sfc.edu/sfcalerts) (<http://www.sfc.edu/sfcalerts/>).

### Proof of Immunization

Appropriate documentation as described below must be presented to the Office of Admissions upon application for admission or re-admission to the College or as soon as practicable thereafter. No student will be permitted to complete his or her initial registration for classes until the documents are on file. Complete information is available from the Dean of Students Office, room 2000.

Specifically, all students born on or after January 1, 1957, must provide proof of immunity against measles, mumps, and rubella in accordance with New York State Public Health Law §2165. Proof of immunity consists of a certificate signed by a physician or health care provider that documents measles, mumps, and rubella immunity. The certificate must specify the type of vaccine and the dates (month, day, and year) of administration, or the date of disease diagnosis, if any, or the date of serologic testing and results, if any. A student health record that properly documents the immunization history described above is acceptable as proof of immunity. Persons may be exempt from measles, mumps, and rubella vaccinations if a physician certifies in writing that the immunizations may be detrimental to their health or they hold genuine and sincere religious beliefs that are contrary to immunization and submit a notarized statement to that effect. In addition, on July 22, 2003, Governor George Pataki signed New York State Public Health Law §2167 requiring St. Francis College to maintain for each student a signed response to the receipt of meningococcal disease and vaccine information, including information on the availability and cost of meningococcal meningitis vaccine (Menomune®).

***Modifications to our current vaccination policy are made in accordance with local, state and federal public health requirements and recommended practices. Students and members of the SFC Community are asked to keep up with any health guidance that is shared with them.***

### Measles

Combined measles, mumps, and rubella vaccine (MMR) is recommended for both doses, or physician diagnosis of disease or serologic evidence of immunity.

### Mumps

Students must have one dose of live mumps vaccine received on or after the first birthday or physician diagnosis of disease or serologic evidence of immunity.

### Rubella

Students must have one dose of live rubella vaccine received on or after the first birthday or serologic evidence of immunity.
